COMMENTS ON THE DIRECTORY

Be sure to read the General Information and the State Telephone Dialing Instruction sections as there have been a few changes made to the State Telephone System this year.

The State Agency Index lists agencies generally to the bureau level for all departments located in Helena. Major institutions or agencies headquartered outside of Helena are also listed.

The State Agency Organizational Listing is separated into two parts—Helena Agencies and Outside Helena Agencies. Departments are presented in alphabetical order with their organizational breakdowns shown generally to the section level.

The Helena Employee Listing is as accurate as possible at the time of printing. However, because of the relatively large number of personnel changes in some areas this section may become out-of-date quite rapidly. Please notify the Communications Division (449-2586) of any errors, omitted names or names that should be deleted.

The Helena Agency Location section lists in its index all offices outside the Capitol Complex with building numbers and map coordinates for use with the maps of Helena.

In order to keep the directory a useful tool and as accurate as possible your help is needed. Notify the Communications Division (449-2586) of any changes or corrections. Thank you.

Directories can be purchased from the Communications Division, Sam W. Mitchell Building, Helena, Montana 59601, at a nominal charge to recover printing costs.

GENERAL INFORMATION

STATE TELEPHONE SYSTEM

The State Telephone System (STS) is a network of over 150 interconnected Tie Line and WATS circuits. The Tie Lines are individual circuit groups between thirteen major Montana cities and Helena which serves as the switching center. Each outlying city or circuit group has a unique access code for calling. The WATS circuits are flat-rate long distance circuits originating in Helena to serve all areas of Montana not connected by Tie Lines and also the continental United States. The Montana WATS have "151" as an access code while the Nationwide WATS use "171" for access.

Proper dialing is of the utmost importance to ensure the most effective use of the STS. Be sure to read the STS dialing instructions on page 3 and if you have any questions or would like more information, call the Communications Division at 449-2586.

STATE TELEPHONE SYSTEM USAGE CHARGES

With the advent of the Telephone Accounting System (TAS) equipment all STS usage is measured to the nearest tenth of a minute and agencies are billed for all calls placed over the Tie Lines and WATS circuits during the business day.

Effective November 1, 1977 all Montana calls will be billed at eleven cents ($0.11) per minute. Nationwide calls are broken into five zones by States and billed at the rates shown below:

ZONE	*STATES COVERED*	*DAYTIME RATE 7:30 am-5:30 pm*	*NIGHTTIME RATE 5:30 pm-7:30 am*
1	ID, ND, SD, UT, WA, WY	$0.31	$0.21
2	CO, MN, NB, NV, OR	0.32	0.22
3	AZ, CA, IA, KS, NM, WI	0.33	0.23
4	AR, IL, MI, MO, OK, TX	0.34	0.24
5	remaining states except AK and HI	0.35	0.25

For every call placed over the STS, both Montana and Nationwide, the TAS equipment logs the number making the call, the date, time of day, number dialed and length of call. This information is processed each month with the State's computer and several TAS computer reports accompany the monthly invoice for telephone services. For more information see MOM Chapter 1-0900 or contact the Communications Division.

PERSONAL STATE TELEPHONE USE

State telephones and the State Telephone System (STS) are provided for the conduct of State business. As explained in the above section, agencies are now billed for each and every call placed over the STS during regular State business hours and consequently, personal or non-State business calls must be eliminated. Agencies will formulate or adopt policies to control the use of State telephones and to ensure that the following regulations are met.

Personal or non-State business calls will not be made over the STS during regular State business hours.

Personal or non-State long distance calls will not be made from State Telephones at any time unless arrangements are made with the telephone company operator at the time the call is placed to have the call billed to the caller's home telephone or credit card, or to place the call collect.

Agencies will ensure the employees' personal calls, both incoming and outgoing, do not interfere with the conduct of State business.

ORDERING STATE TELEPHONE SYSTEM SERVICES

All requests for installation, modification, relocation or removal of STS telephone equipment and services must be submitted on a Telephone Service Request, Form CD-100, as outlined MOM Chapter 1-0900. The Telephone Service Request is available from General Services Division, Sam W. Mitchell Building, Helena 59601, 449-3053.

The Telephone Service Request form is essential. To save time, be sure to complete the form for all new orders or modifications to STS service and forward to the Communications Division well in advance of the desired service.

TROUBLE REPORTING

Report all trouble conditions to the Operator (dial "0"). Remember, trouble conditions not reported cannot be corrected.

STATE TELEPHONE DIALING INSTRUCTIONS

—HELENA USERS ONLY—

(All outside Helena users must prefix all dialing with "8")

TYPE OF CALL	*DIAL*
HELENA CENTREX CALL	4 Digit State Ext. No.
HELENA LOCAL CALL	9 + 7 Digit Local No.
TIE LINE CALL	
State Number	Access Code* + State Ext. No.
Local Number	Access Code* + 9* + Digit No.

NOTE: To call a telephone number in any one of the Tie Line cities listed below you must dial the appropriate access code for that city. WATS calls cannot be placed to any Tie Line city.

ACCESS CODES

ANACONDA	129
Opportunity	
BILLINGS	122
Shepherd	
BOULDER	128
BOZEMAN	126
Amsterdam, Belgrade, Big Sky, Gallatin Gateway, Manhattan, Three Forks	
BUTTE	123
DEER LODGE	127
DILLON	134
GREAT FALLS	124
Ulm, Vaughn	
HAVRE	135
KALISPELL	136
MISSOULA	125
Lolo, Milltown	
MILES CITY	133
WARM SPRINGS	129
Galen	

WATS CALL—MONTANA

All Montana telephones not served by Tie Lines ..... 151* + 1 + 7 Digit No.

NOTE: WATS calls cannot be made to any of the above Tie Line cities. Calls to these cities must be placed as a Tie Line call.

WATS CALL—NATIONWIDE

All U.S. telephones (excluding AK & HI) ..... 171* + 1 + Area Code + 7 Digit No.

NOTE: Direct Distance Dial (DDD) long distance calls should be eliminated and placed as Nationwide WATS calls. Charges for the WATS calls are substantially less than the Telephone Company long distance rates. For more information refer to MOM Chapter 1-0900 or contact the Communications Division.

**Listen for dial tone before continuing to dial.*

STATE TELEPHONE DIALING INSTRUCTIONS (continued)

TYPE OF CALL — *DIAL*

LONG DISTANCE CALL

Direct Distance Dial (DDD) ..... 9 + 1 + Area Code + 7 Digit No.
Operator Assisted ..... 9 + "Operator"

NOTE: Direct Distance Dial long distance calls should be eliminated and placed as Nationwide WATS calls to avoid unnecessary State expenditures. Operator assisted calls should be placed only when absolutely necessary as they are the most expensive type of long distance call.

CONFERENCE CALLS (5 stations maximum) 449-2607
Contact the conference call operator well in advance of the desired time of the call.

TRANSFER INCOMING CALL ..... Depress switchhook once, listen for ring
Incoming calls from another State extension cannot be transferred.

INFORMATION

State numbers ..... 449-2511 or "Operator"
Helena local numbers ..... 9 + 411
Montana numbers (no charge) ..... 9 + 1 + 555-1212
Outside Montana numbers (no charge) ..... 9 + 1 + Area Code + 555-1212

**Listen for dial tone before continuing to dial.*

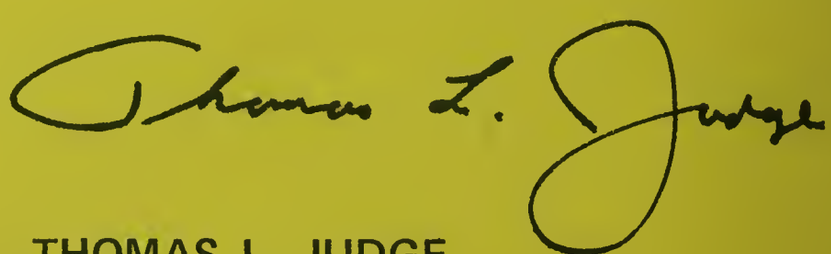
Montanans traditionally have been adept at turning crisis into opportunity. It is an ability we have had to learn, for the geography of our land and the curious directions of our history have placed unique demands upon us and challenged us to meet them.

Our times have grown more complex and our problems more perplexing, but we have travelled a long way together and have learned the strengths of our own inner resources as people as well as the strengths of the resources of our land. We should by now understand that if growth continues to be simply a matter of size, a process of producing more and consuming it all, then growth will end. For the non-renewable materials which have fed traditional growth are dwindling and, when they are gone, will be gone forever.

There is no need to give up the high quality of life that characterizes our society. But we must vigorously and creatively search for new sources of energy to support it...and we must form new attitudes of responsibility toward our natural resources by making conservation part of our way of life.

Energy and conservation: we can't have one without the other. We must have both.



THOMAS L. JUDGE
Governor
